

KINESIO[®] TEX Performance+

The new Kinesio Tex Performance+ Tape offers comfortable wear while syncing to the body's multi-directional movement. It also provides stability, support and pressure release for deep fascia and muscle.

PERFORMANCE+ Characteristics

- Kinesio Tex Performance+ supports joints and muscles like an athletic tape without limiting or restricting range of motion.
- Flexible support with gentle stimulation.
- Good for sensitive skin.
- Created with Kinesio's cutting-edge, evidence based technology and hybrid materials that can only be found in Kinesio products.
- Easy application and removal.
- New lightweight material for comfort.

What's INSIDE

- Retractable Hard Case.
- Application Guide With Instructions.
- 1 Roll Of Uncut Kinesio Tex Tape.
